“Our food is meant to be shared.”

-Jennifer Wegrzyn (Owner, Proprietor)

We realize how challenging it can be to coordinate a large party, and we want to make the experience as seamless as possible. Chicken kebob... hommus... fattoush salad... These are time-tested party pleasers. But where do you start? In Lebanon, we eat as a family - one BIG family - and so in keeping with tradition, we recommend starting with our Family Style options. It's an easy process to order, and we're here to help guide you through it!
